The Act of Congress of March 3, 1927 (44 Stat. 1359, 1361) authorized the Secretary of the Interior to restore any of the lands, withdrawn by that Act, to the operation of the public land laws if he or she deemed that action to be in the public interest. The regulations contained in 43 CFR 2091.5–6(b) authorize the Secretary of the Interior to publish in the **Federal Register** an opening order specifying to what extent lands will be opened and when, if the withdrawing Act of Congress does not so specify.

At 10 a.m. on April 20, 1998, the lands will be opened to the operation of the public land laws generally, subject to valid existing rights, the provision of existing withdrawals, other segregations of record, and the requirement of applicable law. All valid applications received at or prior to 10 a.m. on April 20, 1998 shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.
